Work place facilities: Eye wash and ready access to running water

► FIRE FIGHTING MEASURES

Type of Hazard: No specific risks for fire/explosion. Product is non-flammable.

EcoAcid Environmentally Safe Concrete Cleaner

▶ ACCIDENTAL RELEASE MEASURES

This product is not considered flammable or ecotoxic. Stop the source of the leak if it is safe to do so. Isolate area and collect spill. Mop up and collect any recoverable material into labeled containers for recycling or salvage.

▶ HANDLING & STORAGE

Keep exposure to a minimum. Minimise the quantities kept in work areas. Keep containers closed when not in use and securely sealed and protected from physical damage. Do not mix with strong oxidizing agents.

▶ EXPOSURE CONTROLS & PERSONAL PROTECTION

Use General Industrial Hygiene Practices. Wash hands before all breaks and at the end of the workday.

Protective clothing and gloves are not normally necessary when using this product. (However, wearing gloves is always recommended when handling chemicals in bulk or for long periods of time.) Avoid contact with eyes; use protective eyewear if splashes are possible. A respirator is not necessary under normal use; ensure adequate fresh air.

▶ STABILITY AND REACTIVITY

Stability of the substance:	Stable under normal conditions
Conditions to avoid:	Keep container closed to avoid contamination
Material to avoid:	Strong oxidising agents
Hazardous decomposition products:	None known
Hazardous reactions:	None known

▶ ECOLOGICAL INFORMATION

This mixture is not considered ecotoxic nor does it bioaccumulate.

▶ DISPOSAL CONSIDERATIONS

There are no product-specific restrictions; dispose of waste according to local and national regulations.

▶ TRANSPORT INFORMATION

There are no specific restrictions for this product. This product is not a dangerous good.

▶ REGULATORY INFORMATION

No known regulations on this product or its components. Not deemed as hazardous.
